### ABOUT ENTERIC COATING (E.C.)

The enteric coating of soft gelatin capsules prevents their disintegration in the stomach. Instead, they disintegrate in the small intestine. This is very important in protecting the essential fatty acids such as Omega-3.

KRIPPS SPECIAL PUBLICATIONS	PRICE
Stephen Kripps: "Thyroid Awareness". A comprehensive list of signs and symptoms associated with under-active thyroid function, plus medication information useful for patient & doctor.	\$15.00
Stephen Kripps: "Nutrition Alert". All about Omega-3 oils.	\$15.00
